GRATITUDE.

Wallingford, Sept. 12, 1848.
Moses Green, Sonson & Co.—Gentlemen—

I desire to thank you and the public for the following statement. In Nov. 1847, I was taken with a severe pain in my right knee, which made running difficult, and I could not stand without it. I could not bear a shoe. I was confined to my bed for two weeks, and most of the time in very great pain. I heard of Hunt's Liniment—sent and got a bottle which gave me immediate relief, and the sound entirely cured me. I am now well, and like a hawk. I must have given my life.

A. A. HUNTER.

Worcester, Patrons, we wish to express our thanks for having known us so long before we came to you, and for your services. We are now well, and recovering rapidly. Thank you, Wm. Beck, Judge.
